

2010 Bible Quiz Written Rules

Each team must complete the quiz as a group. (Only 1 quiz per team may be returned to us. If more quizzes than this are returned, none will be graded.) They may receive help from their leader, director, pastor, or commander. They may not receive help from any other quiz teams.

Coaches please feel free to check the answers and have the team change any answers you feel are incorrect. This test is an opportunity for you as leaders to help ensure that your youth understand the material. It is our desire that all teams will get a perfect score on the test.

The quizzes need to be returned via mail. They must be received by us by Jan. 19th. Please have your teams give these quizzes to your coach, and your coach can return them. Please realize that mail takes an extra day or two to get to us.

All answers must be made on this quiz sheet. Please do not use other sheets. If you need more room, please write on the back of one of the pages.

Written quizzes will not be accepted after the deadline. (This includes the day of quiz)

If the team does not include their names or church, the quiz will not be graded.

Please help us by ensuring that the writing is legible.
