

Ideas For Worship

Involve other children:

Motions

Help YOU lead worship

Help pick out music for the next week

Don't use the same songs every week:

Ask the kids what songs they like

Are there any favorites

For ages 3-8:

Deep and Wide

I've Got the Joy, Joy, Joy

Spring Up Oh Well

*Scripture Rock – a good cd to get with scripture usage

For ages 9-12

You can use these songs, but also ask your youth minister about the songs that they use. It would give you some fresh new songs. Also look online for cd's that will provide you with more excitement.... 😊

For ages 13-18

You should be able to involve them with the instruments that they play, and possibly get a group together to lead worship. Utilize all your recourses. INVOLVE OTHER LEADERS!! 😊
